Teresa's thinking is that you may like to visit with the other panelists over a quick bite to talk/touch base prior to joining the HFF mtg (where board members will be eating during your presentation). If you like the idea of gathering prior to, we'd be ready to serve you all at 11:30 a.m. But if you'd rather not, you're all welcome to stay after your session is wrapped up and we can serve you all something to eat or we can package everyone a lunch to take with. If say you're interested in meeting the others here at 1130am, I'll reach to them to extend an invitation to join you for lunch and prep discussion at HFF on Friday. Your thoughts?

Kim,

I failed to respond to your second question. Will the board be taking a break for lunch or just be eating lunch during our presentation? If the board is going to take a break, then I would be glad to join them for lunch. I can't really speak for Jim Strickland, Michael Rallings and Alex Smith. I just don't know what their schedule is.

Please advise.

No, it's exactly what I sent you last week.

Tomorrow, we will send you the power point I plan to use.

Good morning. Yes, Sir, received. Is this different from the one you sent last week?

Also, might you be interested in allowing us to host you and the other panelists for lunch on Friday? We have a caterer lined up to prepare and serve lunch. We'd set a conference room for you all to convene, visit, and eat a yummy lunch. We anticipate inviting your group into the HFF BOD meeting at 12:05 p.m. so you have your choice of eating prior to the HFF meeting session or stay and eat immediately afterwards. Does this interest you?

Warm regards,
KT

Teresa and Kim,

Attached are the two documents you requested (one behind the other in the attachment).

I will send you my power point early next week. Question: Do you want me to bring copies of the power for distribution ?
